

Joining the Commons

During this phase of the Commons, pre-established groups that have an affiliation with SUNY may join the Commons.

Does your group want a space in the Commons?

If you are interested in having your group added to the SUNY Learning Commons, please contact Kim Scalzo at the SUNY Center for Professional Development: [kim.scalzo@suny.edu].

Please provide:

1. The name of the group
2. The group's purpose/mission
3. The term of the group (ongoing or temporary)
4. The group lead (name, organization, contact information)
5. The approximate number of group members (and whether they are affiliated with SUNY)
6. Why/how the group is interested in using the Commons
7. Whether you will have a need for any sub-groups
8. Your expected timeframe (when you would like to be added to the Commons)

The Innovative Instruction Project Team will review your request and inform you of whether your group will be added to the Commons, and if so when.

Prior to your group being added:

- A demonstration/overview will be provided to your group members.
- You will be asked to provide a list of your group members, their campus or sys admin organization, and their SUNY or campus email addresses.
- You will be asked to provide a group administrator(s)/lead(s).

Group users agree to occasional surveys and are encouraged to submit feedback and enhancement requests to the Learning Commons Feedback Forum (found under Help).

Thank you for your interest in the SUNY Learning Commons!
