IITG Project Title

2012-Binghamton-Blake-Presentations Unplugged

Have you applied for, or received additional funds? (choose all that apply):

- Other (please specify in text box below)

2nd Choice:

Assessment

3rd Choice:

Student Support

What recommendations would you make to scale-up or share your project more broadly (within an educational sector, or perhaps SUNY-wide)?

Partnering with other SUNY campuses with similar programs (medical and veterinary, both hands programs are applicable) to establish in-common needed services around wear-able technologies and integration thereof into campus environments. These include

- remote support
- video editing/streaming
- Learning analytics - around student assessment and the effectiveness of FPPOV learning

If you would like to create a community of practice within the SUNY Learning Commons, please describe "members of your community" who would be most interested in your outcomes. Please be specific (e.g., math faculty, instructional designers, student services, registrars, administrators, accreditation or assessment specialists).

SUNY Cobleskill - Paramedic Program
SUNY Cobleskill - Animal Science
Binghamton University - Decker School of Nursing
Binghamton University - Center for Learning and Teaching
SUNY Orange - Nursing program
SUNY Delhi - Veterinary Studies
SUNY Delhi - Nursing program

Do you intend to create an ongoing "Community of Practice" within the SUNY Learning Commons to continue work and dialog regarding this project?

Yes

Overall, how successful was IITG in meeting your project goals? (You may elaborate on your response in the final question if not addressed elsewhere.)

Other (please specify in text box below)

Just starting out, but there is a large amount of enthusiasm to continue and proceed here

Do you wish your current abstract to be used?

Yes
